

Small Work – A conversation with 72
seasons

FIONA D ARTISAN

I am embracing the Japanese element of this journey and making a pot of tea before settling down to do my next wee piece.

Next micro seasons. AI has offered us these wee images -

2nd July-6th July

Crow-dipper sprouts

crow dipper sprouts

7th July-11th July

Warm winds blow

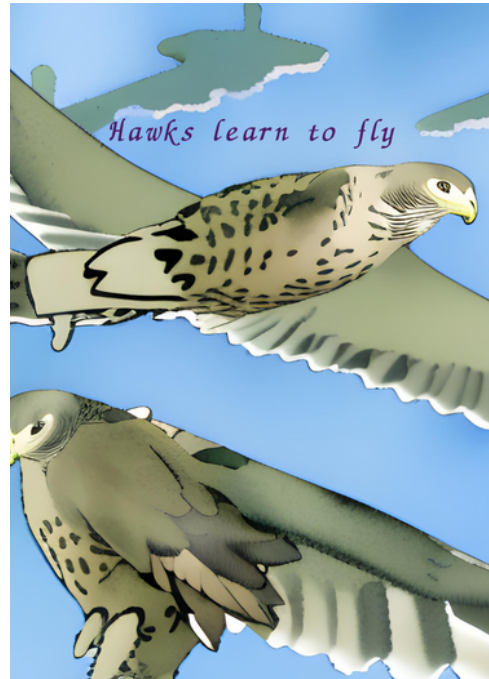

warm winds blow

12th July-16th July

First lotus blossoms

17th July-22nd July

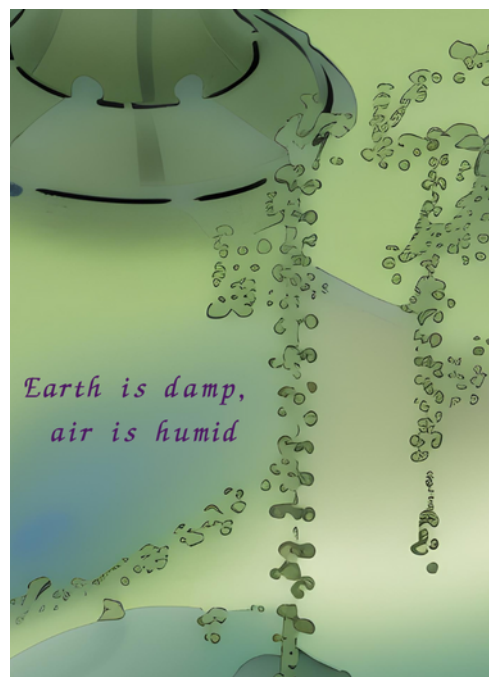

Hawks learn to fly

23rd July-28th July

Paulownia trees produce seed

29th July-2nd August

Earth is damp, air is humid
